v.

File No. 4:14-CR-00023-A

CHRISTOPHER ROBERT WEAST

Notice

I have a conflict with the rules of law. Whenever there is a conflict with the rules of law and the rules of equity over the same matter, the rules of equity will prevail.

Yes, my computer ~~had~~ had child pornography on it, yes Randy Watkins downloaded it from my computer, you are right. I broke the letter of the law, but I did not break the substance of the law. I have a conflict with the letter of the law because the substance of the law was not broken. The laws are put into place, where the substance of the law,

the spirit of the law, is that I didn't hurt anybody, and I didn't damage any property. Lastly, there has to be a real party of interest, and there has to be a damaged party.
